

Fixation Tape 2100

Art.: 05.2336.0000

Roll 15 m

Fixation Tape 2100 is a unique double-sided adhesive fixation tape with a firm hard core which helps achieve the bond. The product has a specially calculated material thickness of 3.2 mm, which ensures that the most common types of sealant reach their optimal layer thickness and therefore tensile strength.

Base:	PU foam with closed cell structure and acrylate bonding layer on both sides
Density:	496 kg/m ³
Dimensions:	12 mm x 3,2 mm x 15 m
Hardness:	31 (Shore A)
Tensile strength:	0,4 N/mm ²
Elongation at break (%):	125%
Shear strength:	0,28 N/mm ²
Peel strength:	3,9 N/cm (180°)
Compressibility:	0,21 N/mm ² (10%)
Permanent deformation:	< 5%
Temperature resistance:	-40°C to +82°C
Water resistance:	Very good. Water absorption: 0%
Application conditions:	+5°C to +50°C
Type of surface:	Almost every type of (smooth) building material such as wood, metal, RVS, aluminium, MDF, HDF, Trespa, HPL, etc.
Surface preparation:	The surface must be clean, dry and free of grease. Clean surfaces with Innotec Multisol .
Application method:	Apply Fixation Tape on the surface and press firmly. Remove the protection film. Apply the sealant according to the instructions, i.e. in a bead that is higher than the Fixation Tape. Complete mounting.
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	12 months in original, unopened packaging
Storage conditions:	Store cool and dry, at a temperature between +5°C and 20°C
Type of batchcode:	F
EAN Code:	5400563026830

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
